Owners Statement: This is a good looking, young fast record mare. She had her first foal this year by the exciting young Ontario sire Muscle Mass, full brother to this year's Hambletonian winner Muscle Massive. This should be a good start in her production record. She sells open, ready to breed early next year, she was not bred back due to owner needing to downsize. She is one of several mares owner is dispersing at this sale.

PRODUCTION RECORD

2010) Olympia Gold (f, Muscle Mass). Foaled 2/25/10.
