STATEMENT: A big colt that was broke last fall, timed down to 2:25 and turned out because his knees were not closed. Started back August 3rd jogging and is doing everything right. He has the best manners of any stud I have seen in 45 years. His stride is so long that it is hard to realize he is going that fast. Hope to be qualified by sale time. He is PA bred and can be supplemented to the PA Sire Stakes Program.

The foregoing statement has been prepared by the consignor of this horse. The Sales Company does not confirm or adopt the statement. Bidders are directed to the terms and conditions of sale printed at the front of this catalog for a review of the respective rights and duties of consignor, the Sales Company and purchasers.
